

Leadership Keizer

Leaders aren't just born; they are the result of experience, drive, and training. The Leadership Keizer program is designed to provide both the training and experience tomorrow's leaders in Keizer will need. Whether you expect to have a leadership role in business, community organizations, government or another arena, Leadership Keizer is for you. I urge you to take advantage of this opportunity.
*Dennis Koho, City of Keizer Mayor 1993-1999,
 Keizer Chamber Board Of Director*
